The screenshot shows the 'STABILITY MANAGEMENT' module of the LIMS system. At the top, there are navigation links for 'Home', 'LIMS User', and 'Logout'. Below the header, a modal window titled 'Validate E-Signature' is displayed. It contains a label 'E-Signature Password\*:' followed by an input field containing a single character. There are two buttons at the bottom of the modal: 'Submit' and 'Cancel'. At the bottom of the main screen, there are 'Previous' and 'Finish' buttons.

48.Enter E-Signature Password

SSNo : PSS-LIMS-SS-048

This screenshot is identical to the previous one, showing the 'Validate E-Signature' dialog. The difference is that the password field now contains four dots ('....') instead of a single character. The 'Submit' and 'Cancel' buttons remain at the bottom of the dialog.
